

**Insurance Claim Policy**

To All Patients:

Dr. Shim is an out-of-network provider for all commercial insurance plans as well as for Medicare. To that end, we will provide claim forms for submission to your insurance company for re-imbusement. If you would prefer that we send your claim for you to your insurance company, we will do so as a courtesy and convenience for you. If you would rather submit on your own, please let us know at the time of your visit so that we may provide you with the Health Insurance 1500 form.

Please note that as Dr. Shim has no contractual relationship with insurance companies, we cannot get any information about the claim from the insurance company once it has been submitted to them. We will provide all documentation and resubmission of any claim forms that are requested by the insurance company.

For Medicare participants: if you have a secondary insurance, you will need to sign the Medicare Opt-Out contract and will give you a claim form for submission to the secondary insurance. Supplement insurance by AARP does not reimburse for visits by non-Medicare providers.

Thank You,

Shimdermatology Staff
